Re: Duane Marine Salvage Corporation Site  
Midland Glass Petition for Withdrawal of Orders

Dear Mr. Cerar:

Enclosed you will find a copy of the document issued by the Regional Administrator, Region II, U.S. Environmental Protection Agency ("EPA") on Friday, June 28, 1985, by which instrument EPA is granting the petition, made on behalf of the Anchor Glass Corporation, for withdrawal of EPA's Administrative Order, Index No. II-CERCLA-50192, as to Respondent Midland Glass Company, now owned by Anchor Glass Corporation.

As I told you I would when we spoke by telephone today, I am sending a copy of the memorandum with which EPA has set the factual basis for its determination, to you in a letter, under separate cover.

Sincerely yours,

Margaret Thompson  
Assistant Regional Counsel  
Waste and Toxic Substances Branch
